White Norton Paint Check Masking Paper Promotion

Mobile Masker 89208

(Shop Value \$401.96)

### Buy 12 Boxes = Get a FREE Masker

Premium white masking paper is corona-treated so paint won't flake off, polycoated to protect against bleed-through and has a built-in Norton Paint Check for convenience. Masking tape can be repositioned without tearing the paper. White paper will not distort lighting during the painting process. This paper is stronger than blue paper, but is thinner to better conform to tight curves without tearing.

Uni-Bridge Pulling Systems have been designed to easily repair panels with large damage. The Pulling Systems can be used with aluminum, steel or glue pulling tabs and come in 3 different sizes.

The UNI-1079 Quick Puller is designed for small damage in tight areas. The UNI-1069 34" Bridge has flexible twin feet with a single pulling column. The UNI-1070 49" Bridge has two pulling columns for use on longer damage.

The 34" and 49" Bridges come with suction cup straps to hold the units in place during set up for pulling.
